CRUISE TO THE STARS

Welcome aboard where the good life was never better. Join us topside for a breath of fresh sea air and cocktails. Savor the cool comfort of the main salon and partake of the excellent cuisine, expertly prepared and impeccably served. The Joy of simply being on the water and away from the more mundane shoreside existence, is an experience long treasured by the more fortunate among us. Come let us share that joy with you. Entertainer Ed Sparrow will keep you laughing at hilarious antics and narrate this amazing trip into the history past and present of Miami.
